Dear Colleague

### **SPF Bravery Awards 2017 - Information**

Nominations are now being sought for the 2017 Scottish Police Federation Bravery Awards.

An Awards Ceremony will be held in Edinburgh in November 2017 where the Officers receiving an award and their families will be guests of the Scottish Police Federation. Also attending will be senior politicians, Chief Officers and the media.

What we are looking for is nominations of Police Officers who have carried out an act or acts of bravery between August 2016 and August 2017.

If you would like to nominate a colleague, what we require is a summary of the incident details and the Officer's actions. Please clearly state the Officer's name and place of work. Ideally we are looking for around 250 to 500 words which should be emailed to [enquiries@spf.org.uk](mailto:enquiries@spf.org.uk) by **31 August 2017**.

The Scottish Police Federation is of the view that all of its members perform acts of bravery on a regular basis. However, some Police Officers occasionally go above and beyond the norm and this should be acknowledged – please help us ensure this is done.

Yours sincerely

**Calum Steele**  
General Secretary
