EuroCOP Police Training & Equipment Report – Information

Dear Colleague

### **EuroCOP Police Training & Equipment Report – Information**

**This attachment to this circular is not for publication or dissemination beyond the JCC.**

The European Confederation of Police (EuroCOP) has undertaken an evaluation of the provision of training and equipment for police officers in Europe. This evaluation commenced early in 2017 and some of the information within the report may already be dated. A copy of the report is attached for your information.

Due to the sensitive nature of the information contained within this report, it should not be published or shared beyond the JCC.

Yours sincerely

**Calum Steele**  
General Secretary
