Dear Colleague

### **Sub-Committee on Policing: complaints handling - Consultation**

The Justice Sub-Committee on Policing is holding an evidence session on complaints handling with Police Scotland, the Scottish Police Authority and the Police Investigations and Review Commissioner on Thursday 14 January 2015. In advance of this session, the Sub-Committee is seeking views on how the various complaints handling processes are working in practice.

The Sub-Committee has invited any general views the Scottish Police Federation has on this issue; what works well and not so well, and any ideas on how current processes could be improved.

As you will appreciate the Sub-Committee cannot become involved in any specific individual complaints and will not be able to publish material received naming any individuals affected (or where an individual can be identified by the content of the submission).

I would be obliged if you could provide any general comment to [Lesley.stevenson@spf.org.uk](mailto:Lesley.stevenson@spf.org.uk) no later than **Friday 18<sup>th</sup> December 2015**.

Yours sincerely

**Calum Steele**  
General Secretary
