Dear Colleague

### **Scottish Police Federation Quadrennial Elections**

The SPF Quadrennial Elections have now concluded, and all nominees will be individually notified of their result later today.

Successful candidates will assume their role on 1 January 2024; however, should any vacancies arise in the meantime, unsuccessful candidates should not be deterred from reapplying.

Nominees and voting levels in these Quadrennial Elections were higher than anticipated and all members are thanked for their interest and attention in a Scottish Police Federation representative role.

Yours sincerely

**DAVID KENNEDY**  
General Secretary
