Policy Conditions

Notifying Us

If anything happens which could lead to a claim under this policy, the **beneficiary** must let **us** know as soon as possible by submitting a claim form and providing **us** with all the information **we** may need. Until the **beneficiary** has let **us** know about the claim and **we** have provided acceptance in writing, **we** will not be responsible for any **costs**, nor will **we** cover any **costs** that were incurred before **we** accepted the claim.

It's important to remember that the **beneficiary** must notify claims in writing directly to Arc Legal Assistance Limited. Informing any of **our** Advice Helplines does not constitute as notification of a claim.

Claims Decision

The decision to accept the **beneficiary's** claim will take into account the advice of the **authorised representative**, as well as **our** own claims handlers. **We** may require, at the **beneficiary's** expense, an opinion of an expert or counsel on the merits of the **beneficiary's** claim. If the claim is subsequently admitted the **beneficiary's costs** in obtaining such an opinion and providing such advice will be reimbursed under this insurance.

The **beneficiary's** claim will be accepted if all of the following apply:

1. The position has not been prejudiced.
2. **We** have assessed the **beneficiary's** claim and deem it to have **prospects of success**.
3. It's likely a sensible settlement will be obtained and is proportionate with the time and **costs** incurred in dealing with the **beneficiary's** claim.
4. The **event** and action required are covered by this insurance under the Insured **Events** section. The **event** must have happened within the **territorial limits** and during the **period of insurance**.
5. The **beneficiary** has kept to the terms and conditions of this policy and none of the exclusions listed under the General Exclusions section apply.

After receiving the **beneficiary's** claim or during the course of it **we** may find:

1. The **beneficiary's prospects of success** are insufficient.
2. There is a more suitable course of action.
3. The **member** has ceased paying the relevant subscription to benefit from the Police Federation Insurance Scheme
4. **We** cannot agree to the claim.

In these circumstances, **we** may not continue to support the **beneficiary's** claim and will tell the **beneficiary** why in writing.

We may also limit the **costs** that **we** pay under the policy for the **beneficiary's** claim in the following circumstances:

1. **We** consider it is unlikely a favourable settlement will be obtained.
2. The likely settlement is disproportionate with the time and expenses necessary to achieve it.
3. There are insufficient prospects of obtaining recovery of any sums claimed.

Alternatively, where it may cost **us** more to handle a claim than the amount in dispute **we** may, at **our** discretion, pay to the **beneficiary** the amount in dispute which will represent full and final settlement under this policy providing the **beneficiary** has complied with all terms and conditions.

If the **beneficiary** makes a claim under this policy which the **beneficiary** subsequently discontinues due to their own disinclination to proceed, any **costs** incurred to date will become the **beneficiary's** own responsibility and will need to be repaid to **us**.

Appeal Procedure

If the **beneficiary** wishes to appeal against the judgement of a **court** reasons must be submitted to **us** and **our** consent obtained. This application must be sent by recorded delivery at least ten working days before the final date for lodging the appeal and **We** will inform the **beneficiary** of **Our** decision.

If **we** so require the **beneficiary** must co-operate in an appeal against the judgement of a **court**.

Representation

If the **beneficiary's** claim is accepted, **we** will take over and conduct the prosecution, pursuit, defence or settlement on the **beneficiary's** behalf. **We** will also select an **authorised professional** of **our** choice to act on the **beneficiary's** behalf.

If legal action is agreed by **us**, the **beneficiary** can continue to use the **authorised professional** **we** have selected. However, the **beneficiary** is also entitled to nominate an **authorised professional** of their choice, although this must be agreed with **us** in advance, confirmed in writing and the **beneficiary** will be responsible for any **costs** in excess of **our standard professional fees**. The **beneficiary** will need to satisfy **us** that the **beneficiary's** chosen representative has the appropriate experience and skills to represent the **beneficiary**, and the **beneficiary** shall have a duty to minimise the **costs** of legal action.

Any dispute arising from or in relation to the **authorised professional** shall be referred to arbitration in accordance with the policy conditions.

Conduct of Claim

1. It's important to co-operate with **us** at all times. The **beneficiary** must give **us** and the **authorised professional** all the information and help required. This will include a truthful account of the **beneficiary's** case, any paperwork requested and information on all material developments.
2. **We** will have direct access to the **authorised professional** at all times. **We** shall also be entitled to (at no cost to **us**) obtain any information, form, report, copy of documents, advice computation, account or correspondence relating to the matter whether or not privileged, and the **beneficiary** shall give any instructions to the **authorised professional** which may be required for this purpose.
3. Before or after the **insurer** pays the **beneficiary's** claim under the policy, the **beneficiary** must, if **we** ask, take or allow **us** to take, in the **beneficiary's** name, all steps needed to enforce the **beneficiary's** rights against any other person, including the defence or settlement of any claim or the pursuit of a claim in any person's name.
4. The **beneficiary** or the **authorised professional** must notify **us** immediately in writing of any offer or payment into **court**, made with a view to settlement, and the **beneficiary** must await **our** written agreement before accepting or declining any such offer.
5. **We** will not be bound by any promise or undertaking given by the **beneficiary** to the **authorised professional** or by either of you to a **court**, witness, expert, agent or any other person without **our** agreement.

Due Care

The **beneficiary** must take due care to prevent incidents that may give rise to a claim and to minimise the amount payable by **us**.

Recovery of Costs

The **beneficiary** should take all steps to recover costs charges, fees or expenses. If another person is ordered, or agrees, to pay the **beneficiary** all or any costs charges, fees, expenses or compensation the **beneficiary** will do everything possible (subject to **our** directions) to recover the money and hold it on **our** behalf. If payment is made by instalments these will be paid to **us** until **we** have recovered the total amount that the other person was ordered, or agreed to pay by way of costs, charges or fees.

We may take proceedings at our own expense in your name to recover any sums paid under this insurance.

Fraud

If any **beneficiary** makes any request for payment under this Policy knowing it to be fraudulent or false in any respect (or in circumstances where it ought to be known to be so) or where there is collusion between the parties to a dispute then entitlement to all benefits under this policy shall be lost. **We** may also take legal action against the **beneficiary** and inform the appropriate authorities.

Arbitration

Any dispute between the **policyholder** and **us**, which is not solved by either party, will be governed by the laws of England and Wales and will be referred to a single arbitrator. The arbitrator shall be a solicitor or barrister on whom **we** both agree. If **we** are unable to agree, one will be nominated by the Law Society. Where appropriate, the dispute will be resolved on the basis of written submissions, and the cost of resolving the dispute will be met in full by the party against whom the decision is made. The arbitrator shall have the power to apportion **costs** in the case that a decision is not clearly made against either party.
