MEDICAL AND OTHER EMERGENCIES

Medical assistance abroad

Our nominated emergency service has the medical expertise, contacts and facilities to help should you be injured in an accident or fall ill. Our nominated emergency service will also arrange transport to your home country when this is considered to be medically necessary or when you have notice of illness or death of a close relative at home.

You must contact them if you are admitted to hospital and wish to return home by any means other than originally booked or require treatment that will cost more than £500 (or the equivalent in local currency).

Payment for medical treatment abroad

If you are admitted to a hospital/clinic while abroad, our nominated emergency service will arrange for medical expenses covered by the policy to be paid direct to the hospital/clinic. To take advantage of this benefit someone must contact our nominated emergency service for you as soon as possible. Reciprocal health agreements – EU, EEA or Switzerland

If you are travelling to countries within the European Union (EU), the European Economic Area (EEA) or Switzerland you are strongly advised to obtain a European Health Insurance Card (EHIC). You can apply for an EHIC online at www.ehic.org.uk

This will entitle you to benefit from the health care arrangements which exist between countries within the EU/EEA or Switzerland. In the event of liability being accepted for a medical expense which has been reduced by more than your excess amount by the use of a European Health Insurance Card Insurance Card we will not apply the deduction of excess under section 2 – emergency medical expenses.

Australia – If you require medical treatment in Australia you must enrol with a local MEDICARE office. You do not need to enrol on arrival but you must do this after the first occasion you receive treatment.

In-patient and out-patient treatment at a public hospital is then available free of charge. Details of how to enrol and the free treatment available can be found by visiting the MEDICARE website at www.humanservices.gov.au/medicare or by emailing medicare@humanservices.gov.au Alternatively please call our nominated emergency service for guidance.

If you are admitted to hospital contact must be made with our nominated emergency service as soon as possible and their authority obtained in respect of any treatment NOT available under MEDICARE.

SPECIAL NOTICE

This is not a private medical insurance and only gives cover in the event of an accident or sudden illness that requires emergency treatment.

In the event of any medical treatment becoming necessary which results in a claim under this insurance, you will be expected to allow insurers or their representatives unrestricted reasonable access to all your medical records and information.

PERIOD OF INSURANCE

If you have paid the appropriate annual multi-trip travel insurance premium and you are 69 years or under, the overall period of insurance shall start from 1st April 2017 and shall expire on 31st March 2019. This insurance then covers an unlimited number of holiday/leisure trips starting within that period, except that no cover exists at all for a trip if it is intended to be for longer than 60 days (unless agreed by us and confirmed in writing). Wintersports (as defined) are covered up to a total of 17 days in each period of insurance provided you are aged under 65.

Except as stated below, cover for each separate trip under this insurance starts when you leave your home or place of business in your home country at the start of your trip and finishes as soon as you return to your home or place of business in your home country for any reason.

For cancellation only (section 1), cover starts from 1st April 2017 or the date you book your trip, whichever is the later. Personal money (section 9) will be covered from the time of collection but not more than 72 hours before you travel.

If you are going on a one-way trip all cover will finish 48 hours after your arrival in the country of final destination. If your return is unavoidably delayed for an insured reason, cover will be extended free of charge for the period of delay.

2. You must tell us as soon as possible about any change in circumstances which affects your policy, including you, a person you are travelling with, a close business associate or relative receiving confirmation of a new or changed medical condition or currently being under medical investigation, change in sporting activity or leisure activities you intend to participate in during your trip or any additional person(s) to be insured under this policy. If you do not advise us of any change then any related claim may be reduced or rejected or your policy may become invalid.

3. You must tell us if your plans for your trip include travel to areas affected or threatened by war or similar risks as set out in general exclusion 1. 8. You must take all reasonable steps to avoid or minimise any loss that might result in you making a claim under this insurance.

9. You must comply with all the terms, provisions, conditions and endorsements of this insurance. Failure to do so may result in a claim being declined.

IMPORTANT FEATURES

We would like to draw your attention to some important features of your insurance including:

1. Insurance document

You should read this document carefully. It gives full details of what is and is not covered and the conditions of the cover. Cover can vary from one policy to another so you should familiarise yourself with this particular insurance.

2. Conditions and exclusions

Specific conditions and exclusions apply to individual sections of your insurance, whilst general exclusions and conditions will apply to the whole of your insurance.

3. Health

This insurance contains restrictions regarding conditions relating to the health of the people travelling and of other people upon whose health the trip depends. You are advised to read the document carefully.

4. Property claims

These claims are paid based on the value of the goods at the time you lose them and not on a 'new for old' or replacement cost basis. Allowance will be made for their age and likely condition.

5. Limits

This insurance has limits on the amount the insurer will pay under each section. Some sections also include other specific limits, for example, for any one item or for valuables in total.

6. Excesses

Under some sections of this insurance, claims will be subject to an excess. This means you will be responsible for paying the first part of the claim under each applicable section.

7. Reasonable care

You need to take all reasonable care to protect yourself and your property, as you would if you were not insured. Any amounts the insurers will pay for property left unattended in a public place or unattended vehicle is very limited, as specified in the wording.

8. Sports & activities

You may not be insured if you are going to take part in certain sports or activities where there is a generally recognised risk of injury. Please check that this insurance covers you, by referring to the list of sports & activities on page 12.

9. Residency

This policy is only available if you are permanently resident in the United Kingdom, Channel Islands or Isle of Man and registered with a medical practitioner in your home country.

10. Customer service

We always try to provide a high level of service. However if you think we have not lived up to your expectations, please refer to the complaints procedure.

11. Fraudulent claims

It is a criminal offence to make a fraudulent claim.
