

KINROSS FISHERY

Our fishery is situated within the heart of Perth and Kinross, and its nearby historic landmarks such as Loch Leven and it's famous Brown trout fishing and St Serf's island where Mary Queen of Scots was imprisoned in 1567. Kinross lies ideally situated for travelling from Edinburgh/Glasgow/Perth/Sterling/Dundee all of which benefit from tourists not only looking to catch our quality sports fish but from visiting the other attractions in nearby areas of Scotland.

ABOUT US

We are open from 8am-dusk and have 4 stocked waters, 2 Fly and 2 any legal method. Limited float tubes welcome on fly waters. All stocked with Rainbow, Browns and Blue Trout with some natural head of browns.

Our fish are supplied from our nearby premier hatchery who are renowned for highest quality, hardest fighting re-stocking trout in Scotland.

Our stock average between 2 & 20lb with some occasional smaller ones thrown in for the bait kiddies to save the parents emptying their wallets whilst allowing them to get hooked on fishing.

In partnership with the Grouse and Claret Restaurant our facility not only offer premier angling but also cater for Corporate Team building events. We are a team who just know what you want and deliver.

For information on bookings or general enquiries contact fishery Manager Garry Hunter
